

LIVING WILL: MASSACHUSETTS

A NOTE ABOUT THIS DOCUMENT

Massachusetts is one of three states that do not recognize Living Wills, so this form will not be legally valid.

However, a Living Will like this can still be invaluable in helping to guide your Health Care Proxy or other family members who may be responsible for your care decisions.

We have provided this form as an example based on Living Will forms from other states. You may make changes to this form or use any other form to better express your health care wishes.

PART 1: TREATMENT PREFERENCES

2. ☐ Keep me comfortable and allow natural death to occur. I do not want medical interventions used to try to extend my life. If I am unable to take enough nourishment by mouth, however, I want to receive nutrition and fluids by tube or other medical means.

>>OR<<

3. ☐ Try to extend my life for as long as possible, using all available interventions that in reasonable medical judgment would prevent or delay my death. If I am unable to take enough nourishment by mouth, I want to receive nutrition and fluids by tube or other medical means.
