## **PRESCHOOL ARTICLE TITLE GOES HERE**

Preschool can assist in teaching children early fundamental development goals such as attempting to develop the student's social, emotional, physical, cognitive, and aesthetic abilities. Early childhood learning centers mold a child and get them ready for elementary school.

What kinds of activities happen in the preschool and where is it located and what schedule and times is it open? How many children are enrolled and what accreditation is awarded to the pre-school. Kids can help to design this newsletter. The template is easy to edit and it can be fun to design and write articles. If you wish to change the size of the pictures you can click on them and black boxes will appear in the corners. These can be dragged to

smaller or larger sizes. You can go to [Insert>Picture>From File](#) to change the image to your own from your computer.

Free newsletter templates word can be used by anyone with the office program.
