

Rejection Letter:

Dear _____

Thank you for your application to the GaTech Delta Chi Scholarship! We had a large number of exceptional applicants, and regret to inform you that you have not be selected for the award.

The process of narrowing down a large applicant pool is a challenging one, especially when it is composed of so many highly qualified candidates. The decision is not, therefore, a negative assessment of your skills or accomplishments. Nor does it have any bearing on your suitability or fit with Greek life, should you have interest in the future.

I want to personally thank you for your interest in our scholarship and giving us the opportunity to learn a little bit about you. We wish you the utmost success throughout your time at Tech, and encourage you to stop by Rush in the Fall so we can get to know your more. Do not hesitate to contact us with any questions and thanks!

Sincerely,

Out of State Rejection:

Dear _____

Thank you for your application to the GaTech Delta Chi Scholarship. We had a large number of exceptional applicants, and regret to inform you that you have not be selected for the award. As stated in the eligibility requirements, we are currently only considering in-state students. This is because a major part of our selection process includes an in person meeting in the second round.

The decision is not, therefore, a negative assessment of your skills or accomplishments. Nor does it have any bearing on your suitability or fit with Greek life, should you have interest in the future.

I want to personally thank you for your interest in our scholarship and giving us the opportunity to learn a little bit about you. We wish you the utmost success throughout your time at Tech, and strongly encourage you to stop by Rush in the Fall so we can get to know you more. Do not hesitate to contact us with any questions and thanks!

Sincerely,

Rush Event Invitation:

Dear _____

Thank you for your application to the GaTech Delta Chi Scholarship! We had a large number of exceptional applicants, and are pleased to inform you that you've made it to the second round! We would like to cordially invite you to an informal event with other applicants so we can get to know you more.

We've arranged an informal outing to see the Atlanta Braves play the NY Mets on July 16. Please know that this event, or our decision on scholarship recipient in no way obligates you to join our organization.

If you are able to attend, please arrive at [our house](#) by 6 pm on July 16 so that we can carpool together. Tickets will be provided and we anticipate returning by 11pm. While we do not anticipate this being an issue, please note that alcohol at this event is **strictly prohibited**. Any applicant who brings alcohol or arrives intoxicated will be asked to leave and will no longer be considered for the scholarship.

As it will give us an opportunity to meet and learn more about you, participation in this event is *strongly encouraged* in order to remain eligible for the scholarship. However, we will distribute a supplementary information form upon request to those who are unable to attend due to prior engagements, distance, or personal emergencies. In addition, we would like to reiterate that while we hope that you are considering rushing in the fall, your participation in rush in no way influences your eligibility for this scholarship. If you are curious about Greek life, please come prepared with questions, and our members will be happy to speak candidly with you about their experiences.

Please RSVP to Alan Edwards at b.alanedwards@yahoo.com by **July 13th** if you plan on attending.

Once again, congratulations on making it to the next round and we hope to see you at the event!

Sincerely,

Chris Quintero
