January 15, 2012

On behalf of the Lyndhurst Recreation Competition Cheerleaders, we would like to publicly thank the generous local sponsors of our Pasta Comedy Night/Tricky Tray on January 13, 2012. With your support, the event helped to raise money to keep our program running and to offset the costs of sending our teams to a National Competition.

Our program currently consists of four teams with girls ranging in ages 4 to 17. These girls work hard and dedicate themselves nine months out of the year, practicing two to three nights per week to perfect their routine. Our season officially opened January 14th with the girls attending their first competition in Secaucus. The program competes locally every weekend, and travels out of state with our two oldest teams to National Championship competitions. Our Senior team has four consecutive wins at a Nationals level and will be striving to claim their fifth title this season.

This organization could not prosper without the generous support of a caring community. Thank you all again for your thoughtfulness, generosity, and continued support to the Lyndhurst Recreation Competition Cheering Program.

The following is a list of all of our local Lyndhurst sponsors:
