GENERAL MOVING DAY TIPS

• Arrive at your new home as early as possible to make sure utilities and services are connected.
• Check traffic and weather reports and share the information with your friends or movers.
• Make sure your friend or the mover driving has your exact address and keep his cell number on hand.
• If moving yourself, help out as much as possible but don’t shy away from directing the action either.
• If using movers, during unloading you should stay out of the way unless they specifically ask for your assistance.
• Make one last tour of your home to confirm you or your utility company have shut off all switches and services:
  • Water
  • Electricity
  • Heat & air (furnaces, boilers, & AC)
  • Cable & Internet
  • Phone
MOVING CHECKLIST

• Thank your friends for all their hard work and promise to help them next time they move.
• Or thank and pay the movers their stated fee. Include at least a $20 tip per mover, or more if your new home is four floors or more.
• Before unpacking, double check your inventory list and see if all the boxes and items made it into your new home.
  • If not, ask your friends or the movers to check the truck or your old home.
  • If the item(s) still can not be found, retrace your friends’ steps or call the movers’ main office to file a complaint.
• Unpack at your leisure and enjoy your first night in your new home. Congratulations!
• Before you move, switch to Vonage with the option to keep your existing phone number. Then you can take your number with you wherever you go. There are no hassles in updating everyone with a new a number and your home phone service starts as soon as you can connect to high speed Internet.
